

Pool Guidelines

Showering

State law requires that individuals must shower prior to entering the pool.

Age Requirements

Children under the age of 16 must be directly supervised by an adult 21 years and older. Children are allowed in the pool during designated time periods, so please review the pool schedule. Children under 5 years old and not potty trained need to wear plastic pants in addition to swim diapers. They are available for purchase at the front desk.

Diving

Jumping or diving into the pool is not allowed.

Lane Dividers

Please do not sit, hang on or pull on any lane dividers or safety ropes.

Pool Toys

Please do not bring floats or toys larger than your child into the pool.

Noise Level

Please be considerate to those around you when talking to others or when using your cell phone.

Physical Therapy:

Has priority to use first lane closest to door.

Temperature:

We strive to keep our pool between 82° - 84° F.

Pool Closings:

Sometimes it is necessary to close the pool for short periods to correct chemical imbalances for proper sanitation. Please remember that this is for your safety and protection and we apologize for any inconvenience.

In the event of thunder or lightening storm, the pool including the pool deck will be cleared of all guests and staff in the interest of safety.
